1 Licence Activation for Leica Totalstations Running Leica FlexField (TS02 plus, TS06 plus, TS09 plus, TS03, TS07)

Dear valued customer...

Thank you for purchasing a licence for our product. The following instructions will guide you through the licence activation process.

 Please register your product at <https://myworld.leica-geosystems.com>, our internet platform for our customers. myWorld provides 24/7 access to all information you require to actively manage your equipment. Here, detailed information on individual products and their service history can be found. The information also aids in maintaining the product value while at the same time enabling maximum efficiency and productivity.

Activate licence

-  The procedure is valid for any licence key.
-  You can download licence keys from myWorld. Refer to "Download licence".
-  To upload a licence key, store the licence key file (L_XXXXXX.key, where XXXXXX is the serial number of your instrument) in the \SYSTEM directory of the data storage device. Insert the data storage device into your product.
- | | For TS02 plus, TS06 plus, TS09 plus: | For TS03, TS07: |
