

HxGN LIVE 2019 – Call for Presentations

Calling all information technologies users, specialists and experts – Hexagon’s Geosystems Division is looking for you!

HxGN LIVE, Hexagon’s international conference and exhibition, is set for 11-14 June 2019 in Las Vegas, Nevada, USA. To an expected audience of more than 3,500 attendees, we want to feature your innovative ideas and excellent experiences.

Why present?

With more than 100 anticipated presentations in the Geosystems Track pushing the realms of possibilities in reality capture solutions, our speakers join a league of distinguished professionals throughout the industry. By sharing your knowledge in this prestigious platform, you receive the recognition you deserve and stand out in your field.

Presenters also receive complimentary registration to the conference and exhibition along with access to networking events.
