EU DECLARATION OF CONFORMITY

Hexagon – Division ROMER, ZA des Bois Blanche, 41800 Montoire sur le Loir, France, as the manufacturer, declares that the under designated 3D portable measuring arms:

Type: **Scanner**
Product: **Absolute Scanner AS1,**
S/N: **AS1.x-12345-GE (x = any digit from 0 to 9, 12345 = running number up to 99999)**

have been designed, manufactured in compliance with the following essential requirements, other provisions and harmonized norms; and are in the limitations of wave emissions defined by these norms:

- Directive 2014/30/EU of the European Union (EU): EMC
Applicable norms: EN/IEC 61326-1 : 2013
- Directive 2011/65/EU of the European Union (EU): RoHS

Any change to the machine performed without the formal authorization of Hexagon voids this European Declaration of Conformity.

The person in charge of setting up the technical file is Ing. Morgan Poitevin (Quality Manager), 2 rue François Arago, Montoire sur le Loir.
