

Leica Geosystems Heerbrugg Switzerland

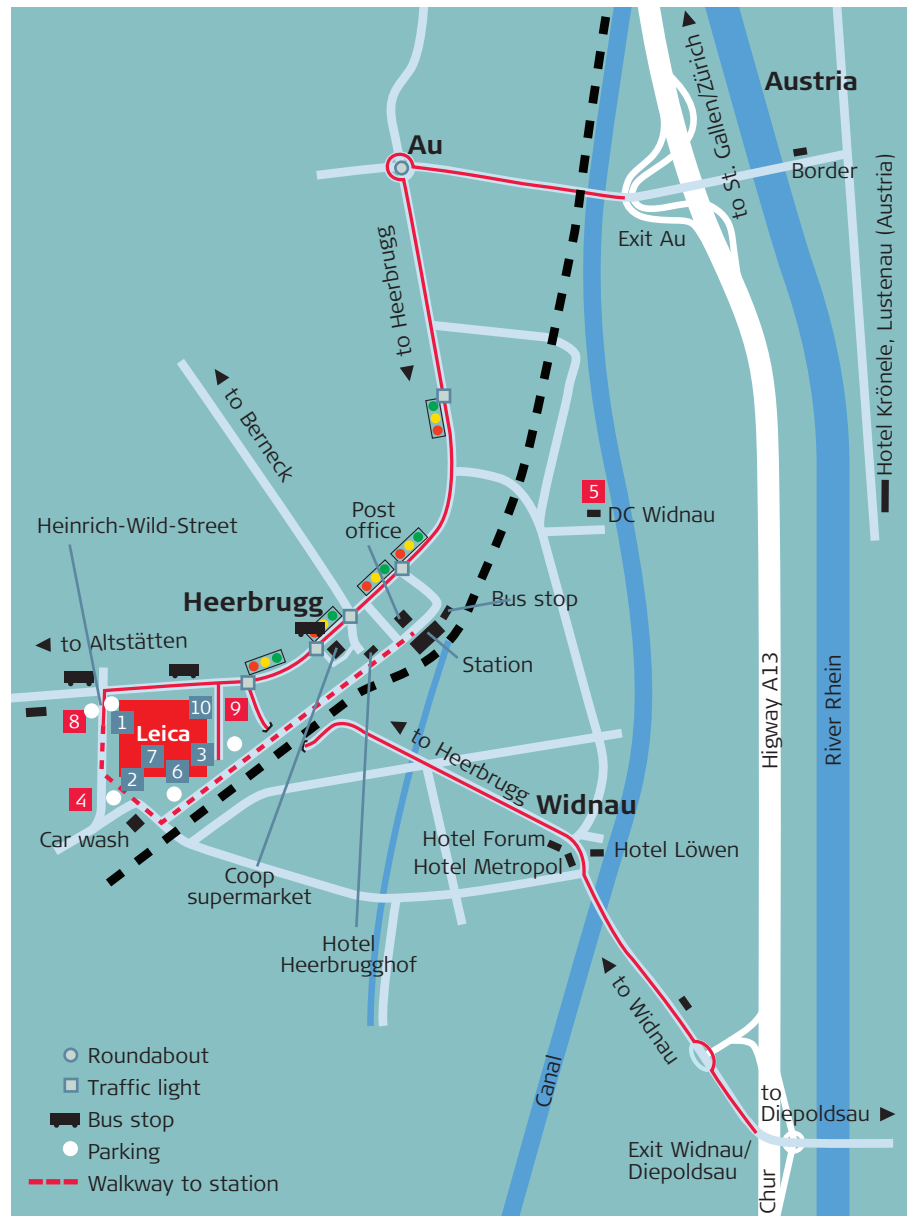

From Zurich Airport to Heerbrugg:

By car

- GPS coordinates 47°24'32.92"N/9°37.5'26"E
Heinrich-Wild-Strasse, 9436 Balgach
- From the airport in Zurich, follow the green/white highway signs to the A1 highway towards Zurich-Winterthur-St.Gallen (toll road).
- Stay on the A1 highway when approaching St.Gallen and follow the signs to the A13 towards St. Margrethen-Chur.
- After 110 km approx. (1h 15 mins drive) from the airport, leave the highway at the Au-Lustenau exit.
- At the end of the exit road, turn to the right towards Au-Berneck.
- Take the third exit at the roundabout towards Heerbrugg.
- There are five traffic lights between the roundabout and the head office of Leica Geosystems AG, approx. 3.5 km.
- At the fourth traffic light, you see the premises of Leica Geosystems AG on your left.
- Drive on and 300 m after the sign designating the village of Balgach, turn left into Heinrich-Wild-Strasse at the far end of the Leica Geosystems AG premises.
- The parking lot for visitors is located directly in front of the reception building (first building on the left). Please remember that there is an annual toll road fee to drive on the highways in Switzerland. All cars using the highways must have a "vignette" sticker on their windscreens.

By train

- Allow at least 30 minutes between arrival of the plane and the departure of the train.
- Follow the signs to the train station (Bahnhof) in the basement of the airport.
- Buy a ticket to Heerbrugg (approx. CHF 80.00 return).
- Trains leave from platform 2 at 22 and 52 minutes past each hour heading towards St Gallen.
- In St Gallen, take the train heading towards Rorschach-St. Margrethen-Heerbrugg.
- Travelling time to Heerbrugg is approximately 1h 50 mins.
- Check with SBB http://www.sbb.ch/index_e.htm for further information on the timetable and price.
