

Declaration

to whom it may concern.

This is to confirm that the Li-Ion battery pack GEB271 (Art. -No. 766783)

was tested with compliance to

UN Manual of test and criteria, Part III, Sub-Section 38.3

according to the

ADR 2011 with SP 188 and
IATA Dangerous Goods Regulations with Packing Instruction 967 section 2.

The Li-Ion battery pack GEB271 consists of 4 x 8 Li-Ion cell packages. Each of these 4 cell packages is mechanically and electrically separated and declared as

UN 3481 Li-Ion battery contained in equipment.

This declaration is issued based on current status of design and manufacturing.
